RESPONSIBILITY**

LONEHILL ENVIROFUND

WORKING TOGETHER FOR YOU

WHAT'S THE STORY?

The Lonehill Residents Association strives to improve the quality of life for residents in the greater Lonehill, Beverley and Pineslopes area and helps to preserve and enhance the investments made by property owners. By joining the Envirofund, you will help to empower the community, thereby ensuring the neighborhood's safety and beauty so that living in Lonehill remains a lifestyle investment for property owners and residents.

Your Envirofund contribution will assist with:

- Funding the Lonehill Estate Maintenance team, namely our Estate Manager and 10

gardeners and their equipment.

- Maintaining Lonehill, Lappies and the new Parks along Crestwood and Mulbarton. Upkeep and maintenance of parks' kiddie's playground, equipment and other fixtures such as the fountain.
- Mowing and/or bush clearing in all parks and servitudes.
- Funding projects such as the development of new parks, flowerbeds and pedestrian paving along popular walkways.
- The acquisition of additional plants and organics for flower beds in the Lonehill and other parks and surrounds.
- Funding erosion control, prevention and mitigation measures to ensure continued and improved river bank stability.
- Improving the local ecosystem integrity and biodiversity to improve the delivery of ecosystem services as well as community well-being.
